When love *fills our hearts*

Life is never as amazing as when love fills our hearts. The special moments we create for our loved ones are life-changing. When you can give a sunset as a present, stay up all night under the southern stars, and share a bottle of wine on the white sands of an uninhabited island.

True to ancient traditions of Phinisi boats in Indonesia, Alexa is the manifestation of a dream: ultimate understated luxury, absolute privacy, the free spirit of discovery, unique experiences, and the best of any service you can think of.

A former cargo boat, which has been cruising the seas between Flores, Komodo, Raja Ampat, Sumbawa, and Sulawesi, has been transformed into the most romantic sailing boat in Indonesia—one cabin only. Just for two.

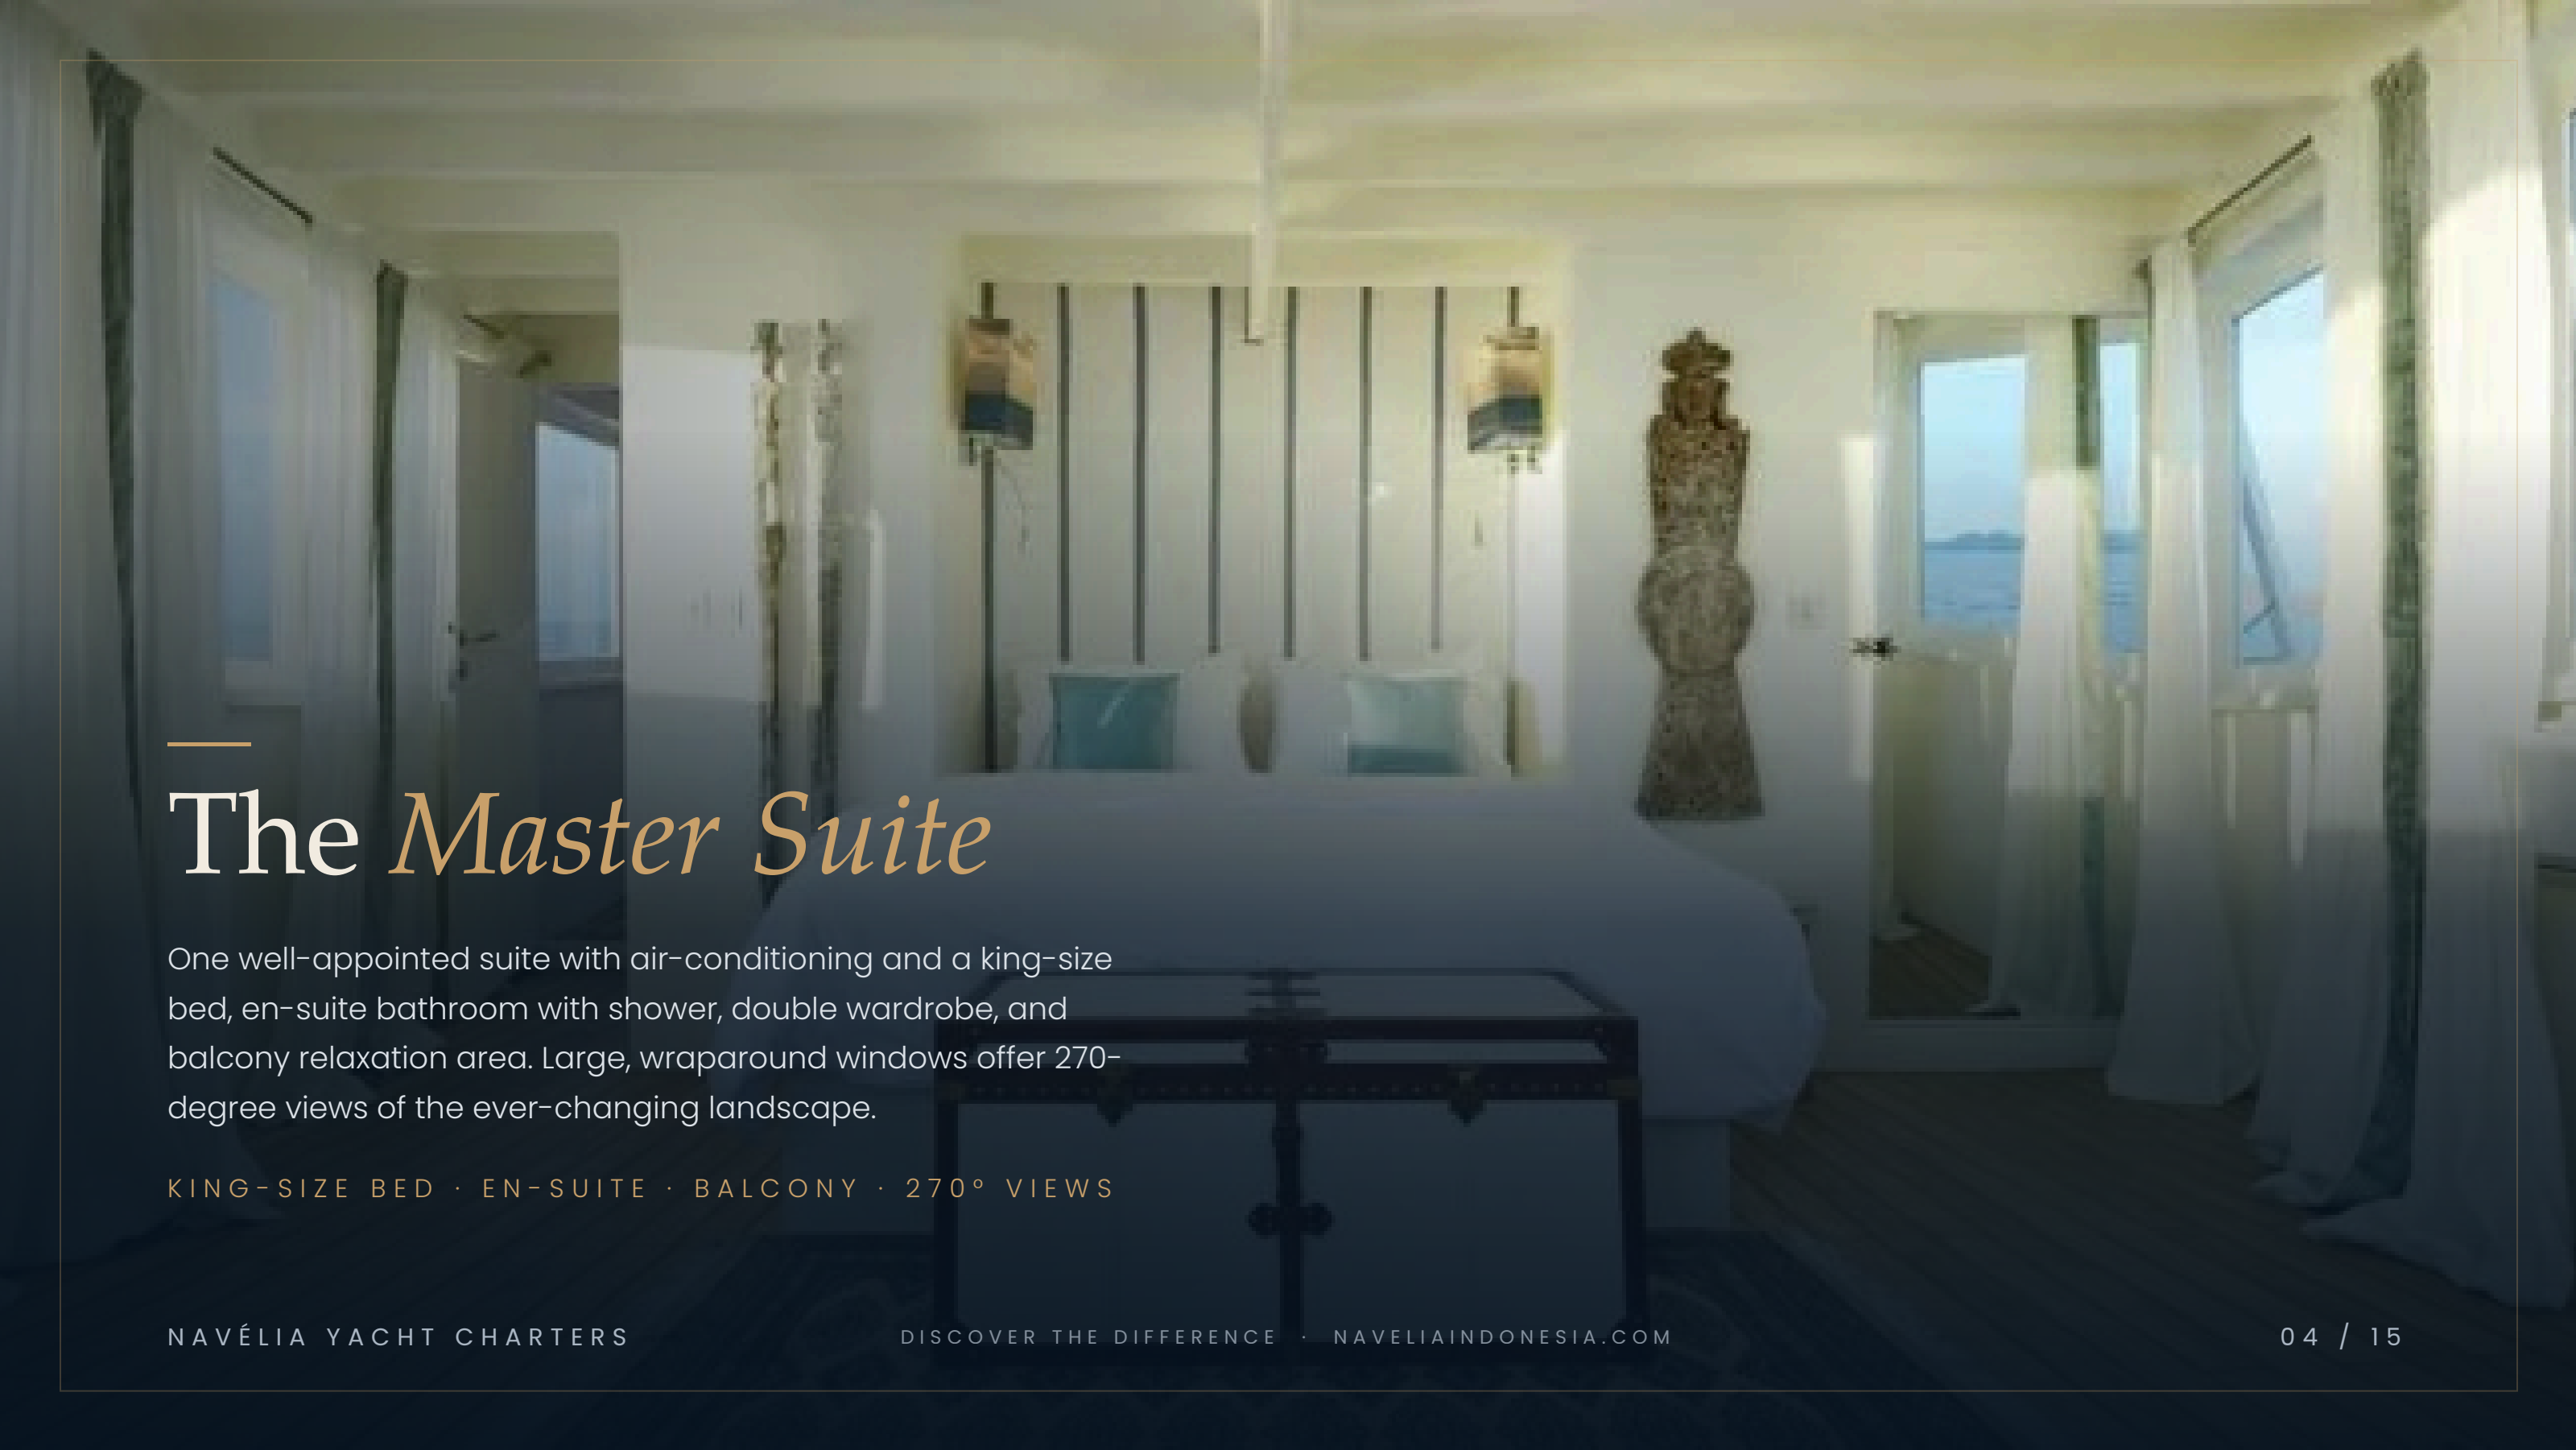

EVERY DETAIL CHOSEN WITH LOVE

Understated *luxury*

Traditional lines adopt a modern pure look; aged teak wood is combined with stainless steel and tinted glass. The generous living spaces are filled with antique art and contemporary classics.

Silk rugs and primitive sculptures from the islands of Indonesia, the finest linens, and crystal glasses—every detail is chosen with love. Love is in every meal prepared by our Chef, every day trip planned by our Cruise Director, every smile of our crew, and in the wind that fills our white sails.

The *Master Suite*

One well-appointed suite with air-conditioning and a king-size bed, en-suite bathroom with shower, double wardrobe, and balcony relaxation area. Large, wraparound windows offer 270-degree views of the ever-changing landscape.

MAIN FEATURE

Built by hand, *two decks*

The 31 metre-long Alexa consists of two decks and has been built by hand in the traditional style of a Phinisi. The furniture throughout the boat is custom-made from teak, rattan and other locally sourced materials from Indonesia.

A library, lounge, open kitchen, indoor dining area seating up to 4 people, an “Under the Stars” sleeping area, and plenty of space outside to unwind and enjoy the views. The main outdoor deck has large oversized daybeds shaded by tarpaulin—perfect for relaxing day or night.

Under *the stars*

Guests dine at leisure in the air-conditioned dining room or on the outdoor deck. With a spa therapist aboard, guests can succumb to the soothing pleasures of a signature Alexa massage on board or on a nearby beach.

INDULGE

Seafood, sunsets & *bonfires*

Our Chef loves the ocean almost as much as he loves to create culinary delights. No surprise his specialty is seafood—the freshest you can possibly get! Inspired by the best of international cuisine, he will fulfil your every wish.

A barbecue on a pristine beach watching the sun go down—white cushions, antique rugs, candlelight, and bonfire. Our bar is stocked with the best wines and spirits from around the world, served at any time, on any beach, under any star you choose.

ACTIVITIES

Dive, surf & *explore*

Alexa has her own fully licensed PADI dive centre, catering to qualified divers. Courses on board range from Open Water Diver to over 16 specialties, including Deep, Peak Performance Buoyancy, Drift and Underwater Naturalist, with a dedicated freshwater rinse tank for camera equipment.

Surfing, fishing, snorkelling, visiting local islands and pearl farms are among the many other pursuits on offer.

Alexa was built for two; however, we can offer 2 adults + 2 adults, or 2 adults + up to 2 children, with a surcharge per night.

Komodo, Alor & *Wakatobi*

Komodo National Park

In the Wallacea Region, a UNESCO World Heritage Site between Sumbawa and Flores: Komodo, Rinca and Padar plus smaller islands, over 1,800 km². Home to the Komodo Dragon – up to 3 m and over 70 kg – and one of the world’s richest marine environments: 260+ reef-building corals, manta rays, sharks, 1,000+ species of fish and sea turtles.

Alor Archipelago

East of Flores, 20 pristine islands famous for world-class diving, scenic rock formations, virgin coral walls, seasonal whales, Mola Mola, thresher sharks and giant groupers. Calm seas most of the year, and some of the friendliest, most authentic villages in Indonesia.

Wakatobi Marine Park

Indonesia’s third largest marine park – Jacques Cousteau’s “Underwater Nirwana”. 1.4 million hectares, 900,000 of them coral reefs, around Wangi-Wangi, Kaledupa, Tomia and Binongko. Among the highest reef and fish species counts in the world, the largest barrier reef in Indonesia, and home to dolphins, turtles and whales.
