Amandira

Rare adventures, unrivalled experiences

52M · 5 CABINS · 10 GUESTS

Intrepid & *composed*

Traveling under sail as well as by motor, Amandira blends the Sanskrit-derived word for “peace” with “dira,” which carries the dual meaning of “intrepid and courageous” and “calm and composed.”

Living up to its name, the 170-foot, two-masted phinisi is both steady and graceful, custom designed and handcrafted from local hardwoods by Konjo artisans – combining the ancient romance of the spice trade with cutting-edge contemporary amenities.

Sail the high seas, weave your way among UNESCO-protected islands and discover landscapes few are ever privy to. Amandira caters to weddings, honeymoons and other special events.
