CORALIA

The *Flagship*

Coralia is a 48-metre traditional wooden phinisi, hand-built in 2019 by the master craftsmen of Tanah Beru in South Sulawesi. A two-masted motor sailing yacht, she was purpose-built for diving and equipped with modern safety and navigation systems to reach the most remote destinations in the Indonesian seas.

She is renowned for her spacious design, personalised hospitality and top-tier diving – and in Scuba Diving Magazine's 2026 Readers' Choice Awards she was voted #1 for Quality of Crew, Level of Safety, Best Value and Level of Luxury.

CORALIA DUA

The *New Sister Ship*

Launching in September 2026, Coralia Dua is a 52-metre traditional phinisi, over 10 metres wide, created to elevate the Coralia experience with enhanced space, modern elegance and expanded amenities.

She offers eight cabins with premium finishes, an expansive dive centre and an even larger camera room, outdoor dining and multiple lounging spaces – while carrying Coralia's signature small-group diving and refined hospitality.
