The Oracle

A sanctuary at sea

WELCOME ON BOARD

A sanctuary *at sea*

The Oracle is more than a vessel, she is a sanctuary at sea, carrying you to places where the horizon feels infinite and time moves to the rhythm of the ocean. As she journeys through the Indonesian archipelago, each day becomes a passage into stillness, beauty, and quiet discovery.

Every voyage is shaped by a simple belief: when we reconnect with ourselves, with others, and with nature, harmony follows, and from harmony, the most meaningful experiences are born.

We create spaces that live in conversation with their surroundings, where design honours tradition and nature. Every detail is chosen with respect, awareness, and creativity, ensuring your time onboard is as thoughtful as it is unforgettable.

A HOLISTIC LUXURY CRUISE EXPERIENCE

Born of vision, *made for the sea*

The Oracle is a moving expression of harmony, crafted to bring balance, beauty, and a sense of belonging to all who step onboard since her launch in July 2019.

Every detail is considered, from the curve of her hand-polished wood to the thoughtful layout that allows uninterrupted views of land and sea. At 35 metres, she carries you with quiet strength through Indonesia's most breathtaking regions, from Komodo's wild islands to Raja Ampat's tropical paradise.

Here, adventure and reflection exist side by side. This is travel that nourishes the body, stirs the imagination, and soul.

A SOULFUL PASSAGE THROUGH NATURE'S MASTERPIECE

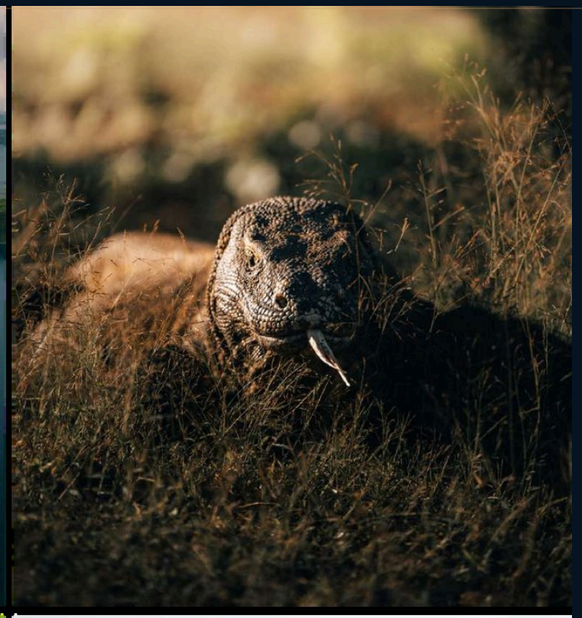

Komodo

A place where nature speaks in colour and silence: volcanic islands, Komodo Dragons, pink-sand beaches, and beneath the surface, coral gardens and rare marine life, such as manta rays.

For those who come with open hearts, Komodo offers more than beauty. Throughout your voyage you'll find a deeper connection: to the ocean, to culture, to each other, and to something greater.

A PLACE FOR STILLNESS, WONDER, AND TOGETHERNESS

Raja Ampat

Raja Ampat is not just a place, it is an experience that moves through you. A place of stillness and beauty, this remote archipelago is home to colorful coral reefs, hidden islands, wild coastlines, and some of the most biodiverse marine life on the planet.

Above the surface, birds of paradise dance in the trees; below, manta rays glide with silent grace. Throughout your voyage you'll find a deeper connection: to the ocean, to culture, to each other, and to something greater.

UNFORGETTABLE JOURNEYS THAT IGNITE THE SPIRIT

Explore *Beyond*

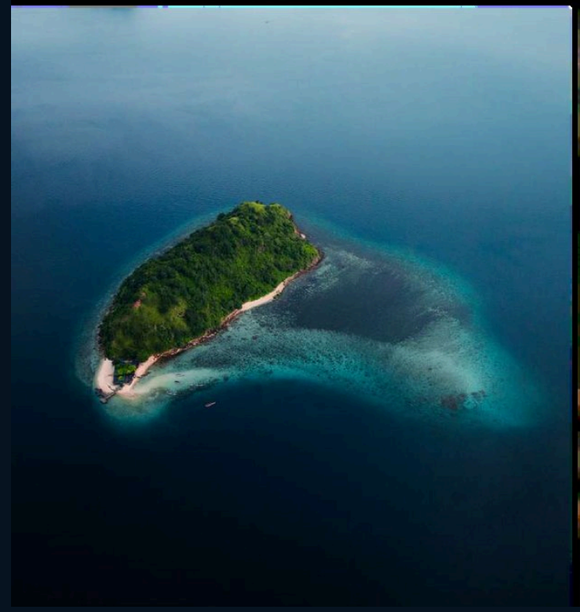

Not all journeys return the same way. With The Oracle, a handful of rare expeditions invite you beyond Komodo and Raja Ampat, into Indonesia's most storied seas.

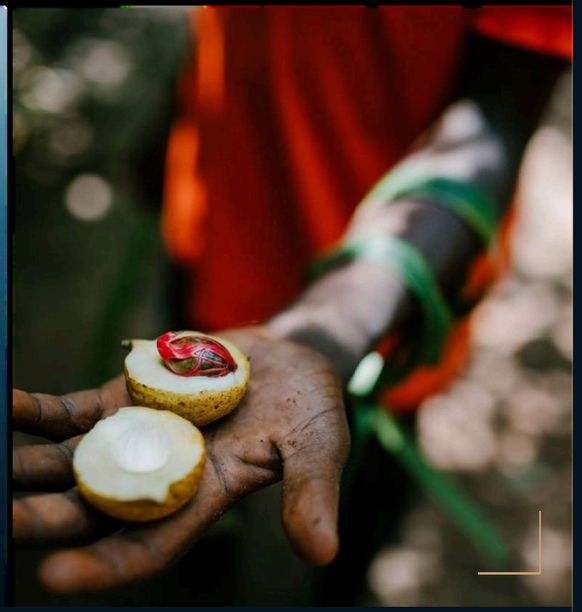

The Ring of Fire takes you along a volcanic arc where fire meets water, black-sand shores, rising peaks, and coral depths alive with hammerheads. It is a passage of power and stillness, where every horizon carries elemental force.

Komodo–Alor moves from the legendary dragons of Rinca to the quiet strength of Alor. Between them, pink beaches, shifting currents, and villages weaving ikat by hand reveal a world where nature still writes the rules.

The Spice Islands lead you into history. Nutmeg once worth empires still scents the air, forts guard turquoise bays, and timeless stories linger in the stone walls of Banda. Here, past and present sail together.

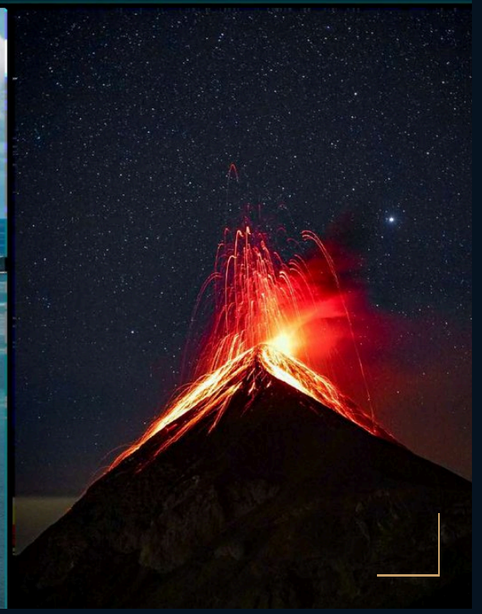

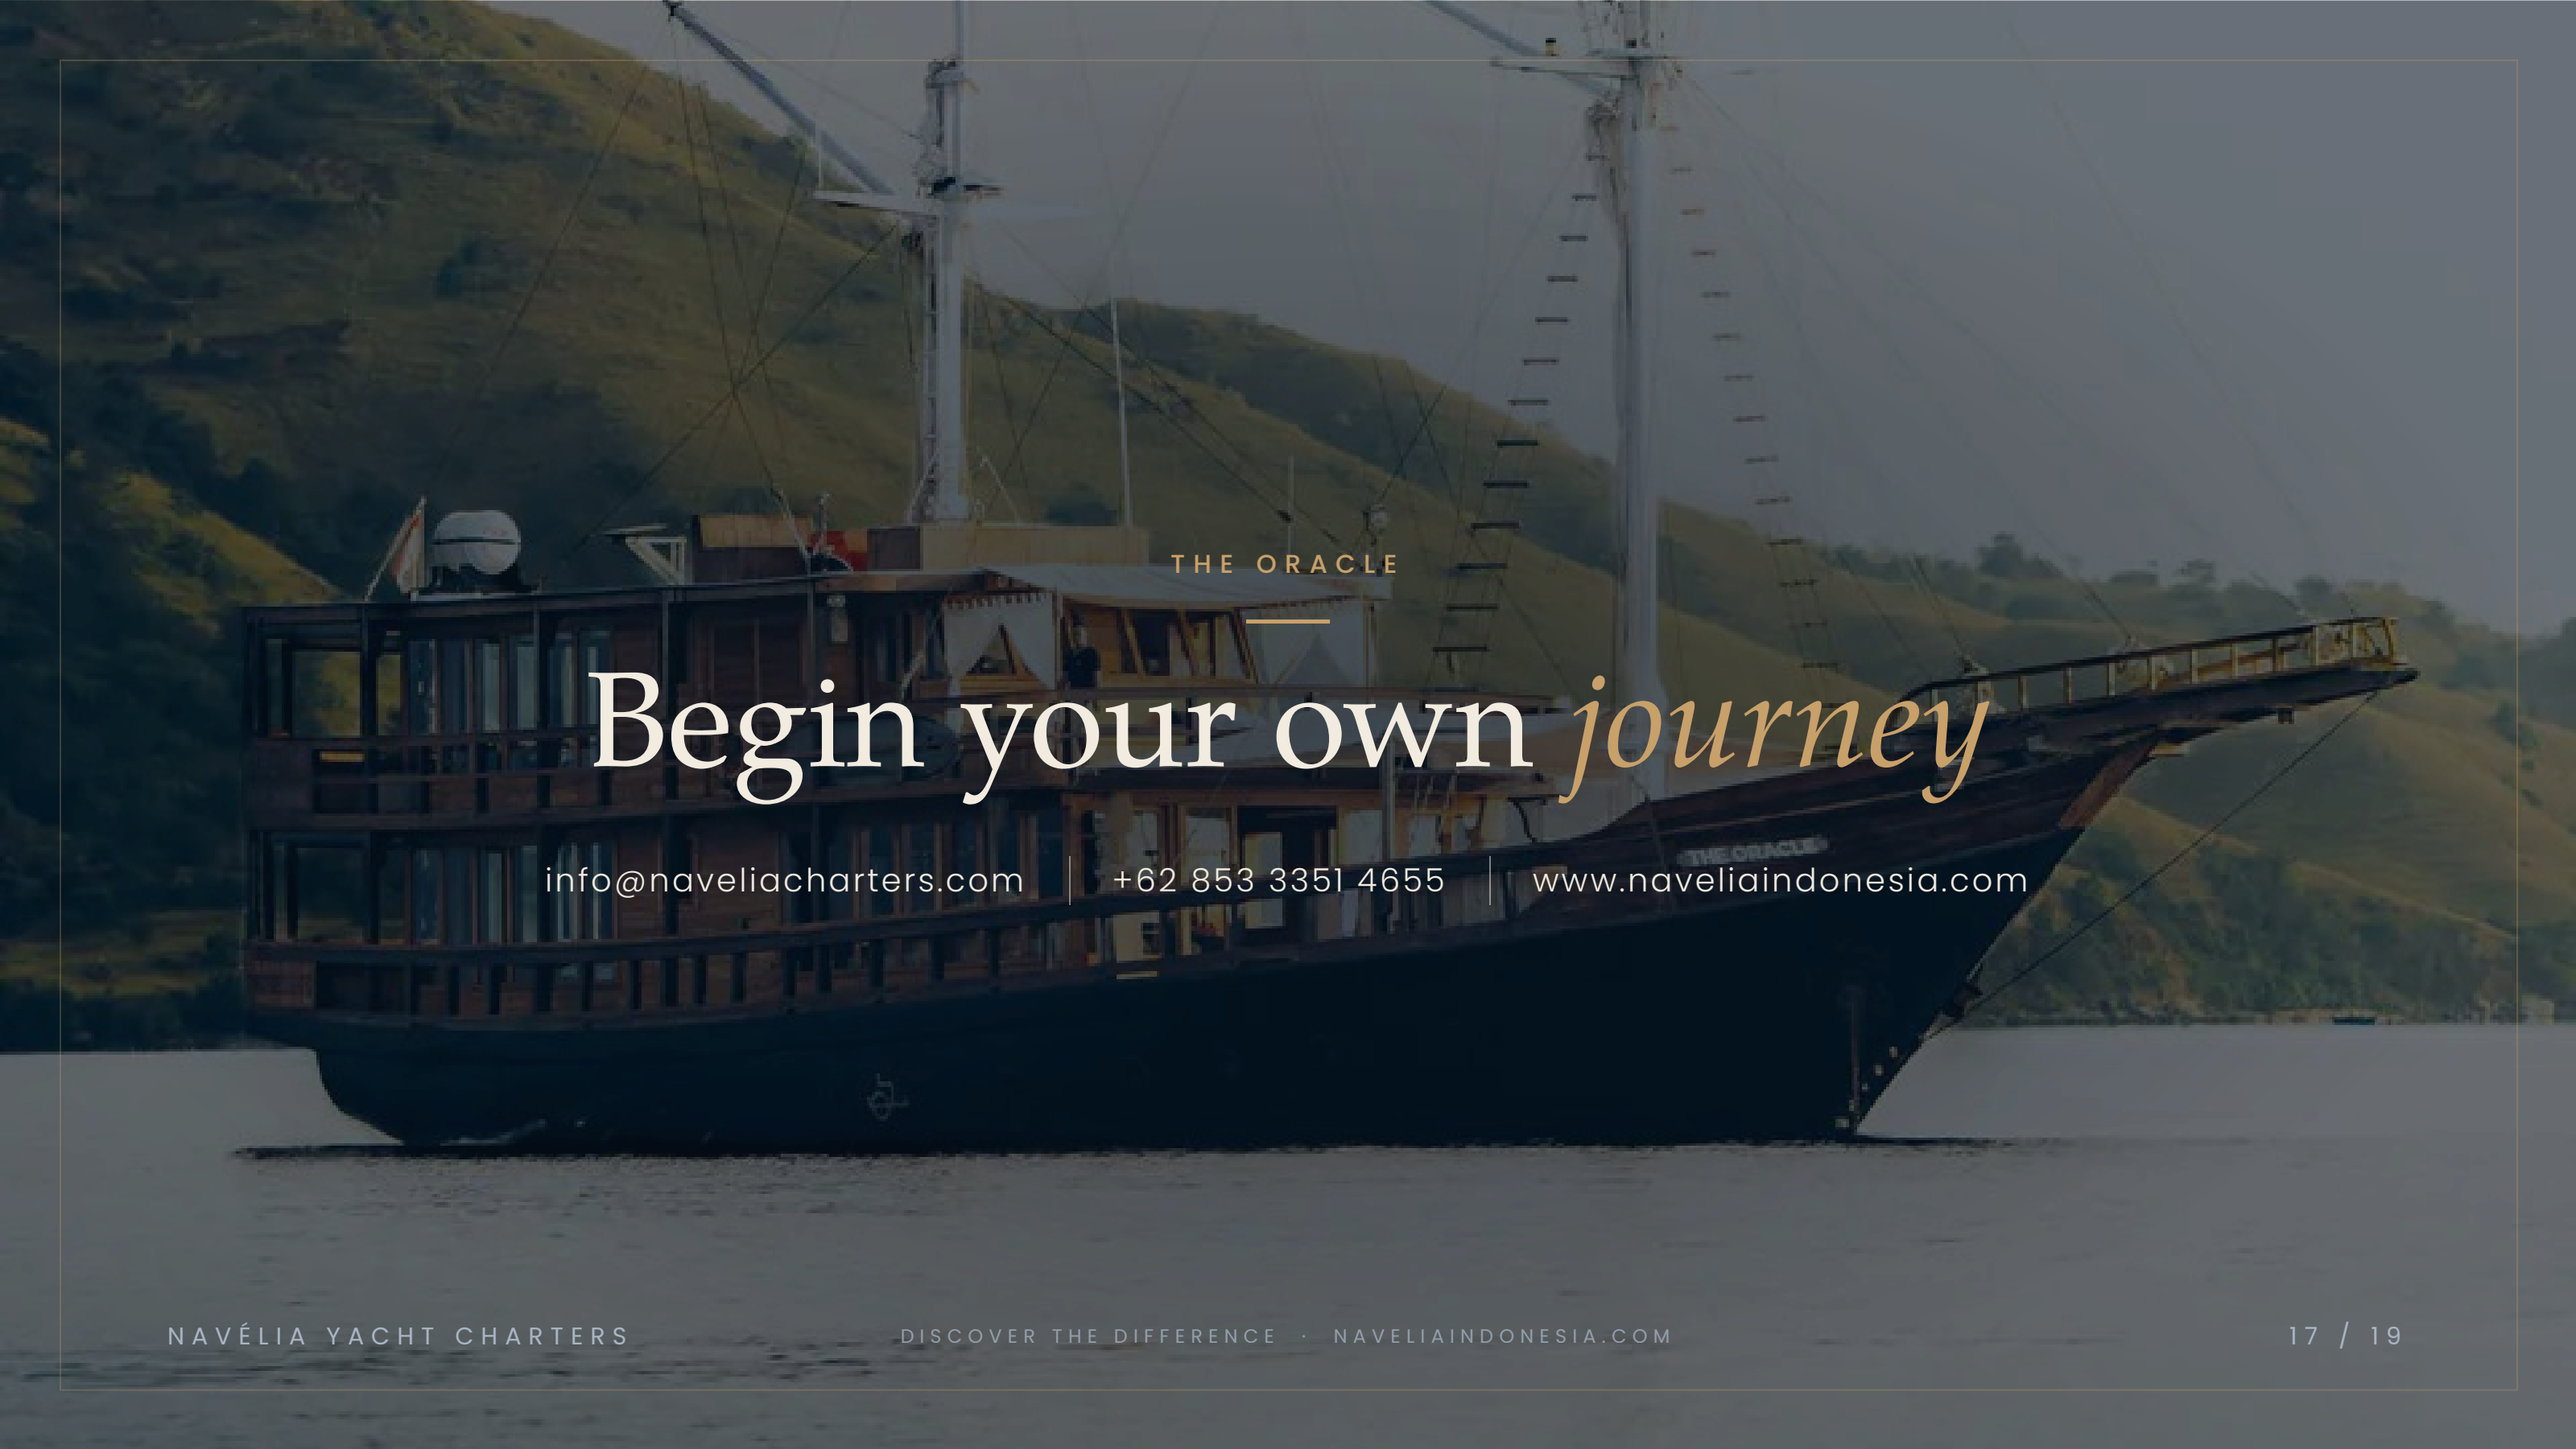

EXPLORE BEYOND

Other journeys *on request*

For those drawn to the farthest reaches, The Oracle also offers expeditions to places that remain almost entirely untouched. Explore Triton Bay, with its karst cliffs, and whale sharks beneath traditional fishing platforms. Visit Halmahera's volcanic peaks and rich coral reefs, or journey to the Forgotten Islands and other remote shores, each offering a rare and secluded experience.

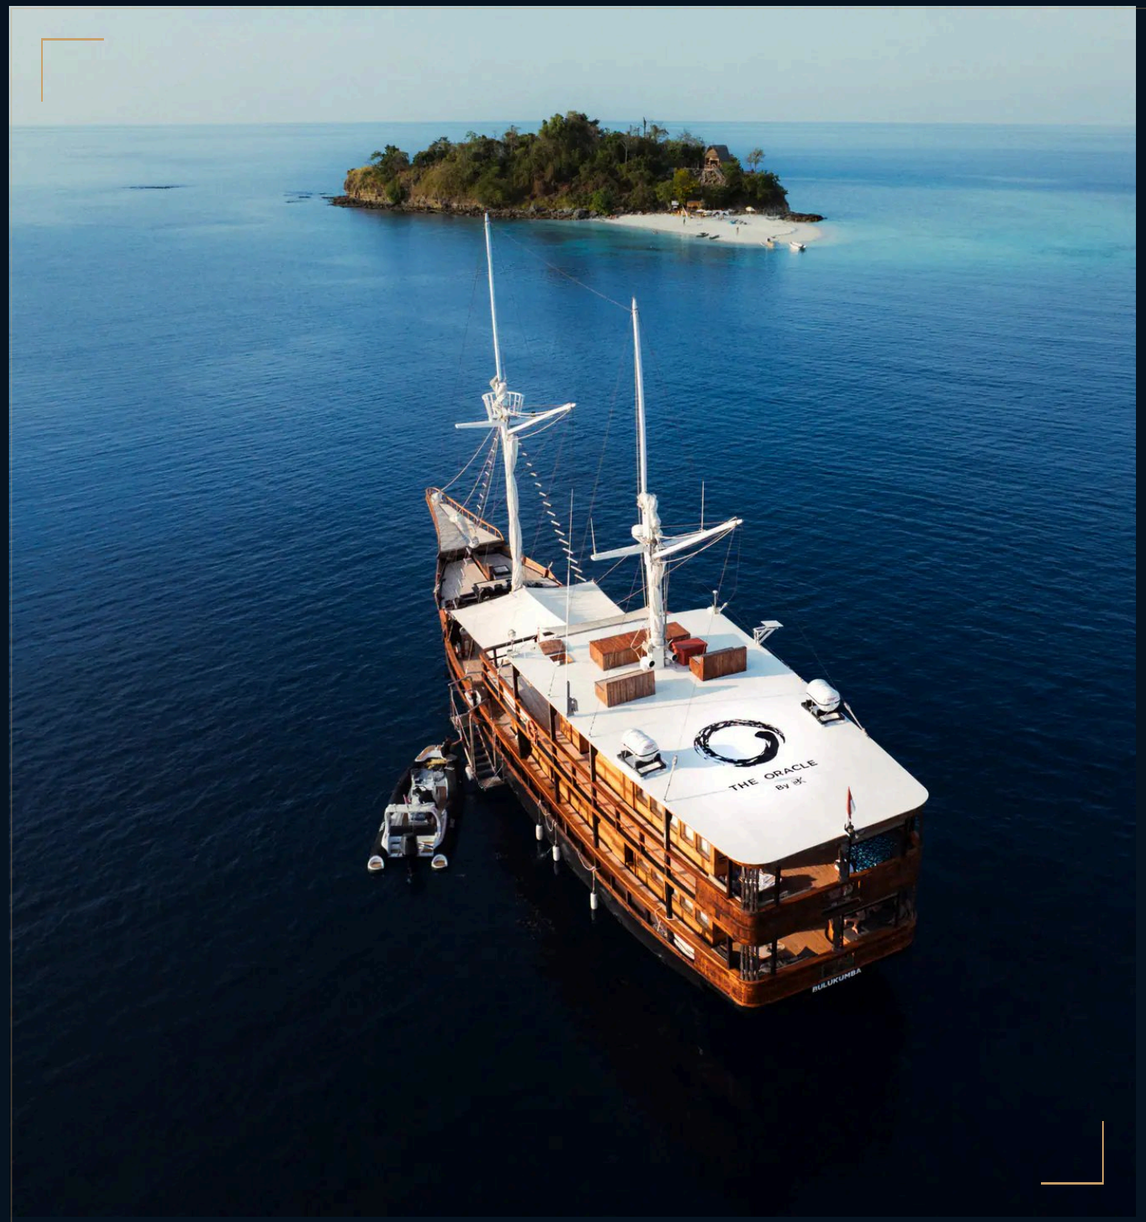

These voyages are available by special arrangement, each one designed to match the season, the tides, and your own sense of wonder.
