Silolona

A modern classic sailing vessel

THE LEGEND

Silolona

When the rocks were still young and the earth still soft, Atuf called forth the spirit of his beloved wife, Silolona, to join him on his journey to the sun. With his magical spear Atuf shattered the sun and created the constellations, making the world a safer place for all mankind.

THE YACHT

A modern *classic*

Silolona, truly a modern classic sailing vessel, was built to the demandingly high standards of the German Lloyd's register of shipping.

No expense has been spared to ensure that discerning travellers, accustomed to understated elegance and exquisite cuisine, discover an agreeable mode of transportation from which to admire the majestic scenery, underwater wonders and fascinating artistic expression found along the fabled spice routes of Southeast Asia.

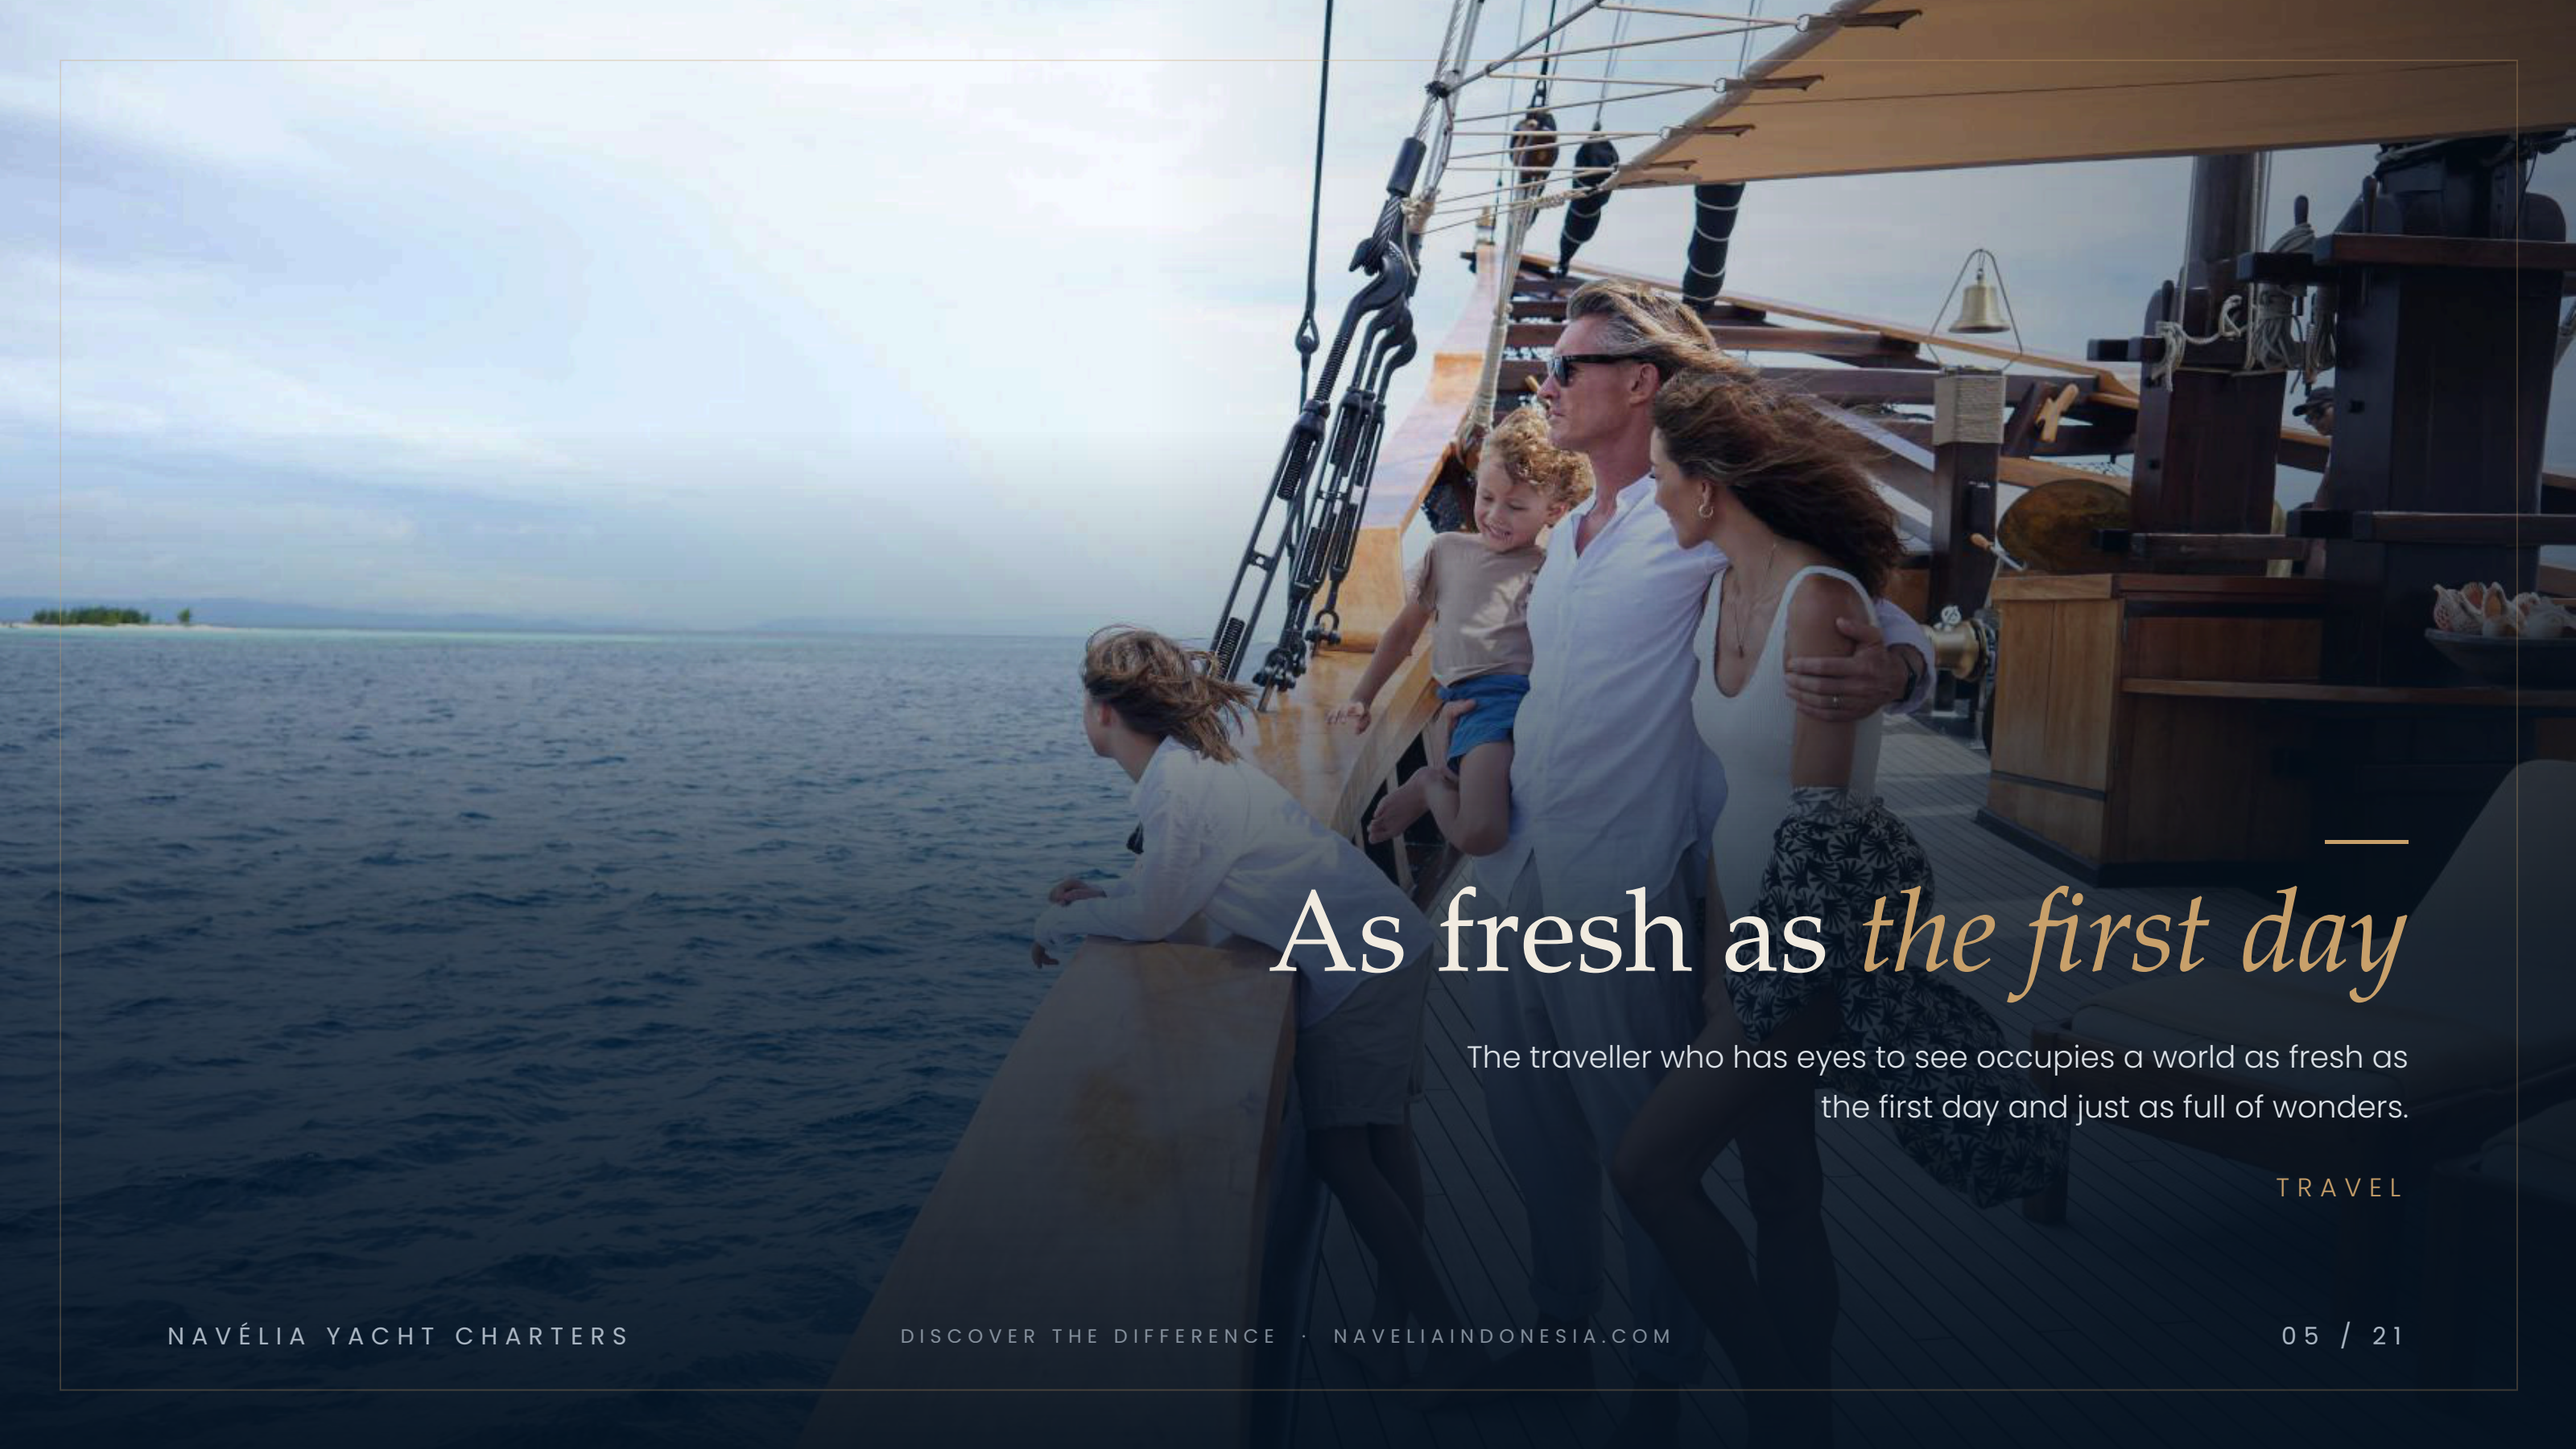

THE FIRST SIGH OF THE EAST

Dining *under the sky*

HOW CAN A PLACE BE CONDENSED TO MERE SCENERY?

Fleeting *moments*

How can one predict those fortunate times when, deep in the unknown, an exotic beauty sensually stimulates the creative process? It is then that I must paint or draw what my poor eye tries desperately to capture, knowing that it is but a fleeting moment which will soon fade into a memory.
