Splendour

A raw luxury pleasure yacht

THE YACHT

A raw luxury *pleasure yacht*

Across 3 stunning decks, Splendour offers guests more space and comfort than any other luxury yacht of her size. With vast flat-surfaced decks and an experience-centred design, she has maximum usable space for any occasion and guest requirement.

Relax in the generous back lounge, enjoy your aperitivo on the upper deck, nap in the air-conditioned cabins, watch a documentary in the Splendour cinema, or dive off the swim deck for a refreshing morning snorkel.

THE DESIGN

Classic *design*

Splendour was inspired by American 1920s pleasure yachts, built for leisurely cruises for families and friends looking for adventure in comfort and style. No other boat of this shape and style has ever been conceived in Indonesia.

She was built on the shores of Ara Beach in Sulawesi, the very birthplace of the country's boatbuilding tradition, where old hands have magically carved out a classic boat with contemporary lines, a warm textured interior and modern preferences.

65 feet in length and spread over 3 flat-surfaced decks for maximum utility, Splendour offers 3 wonderful cabins to comfortably accommodate up to 9 guests.

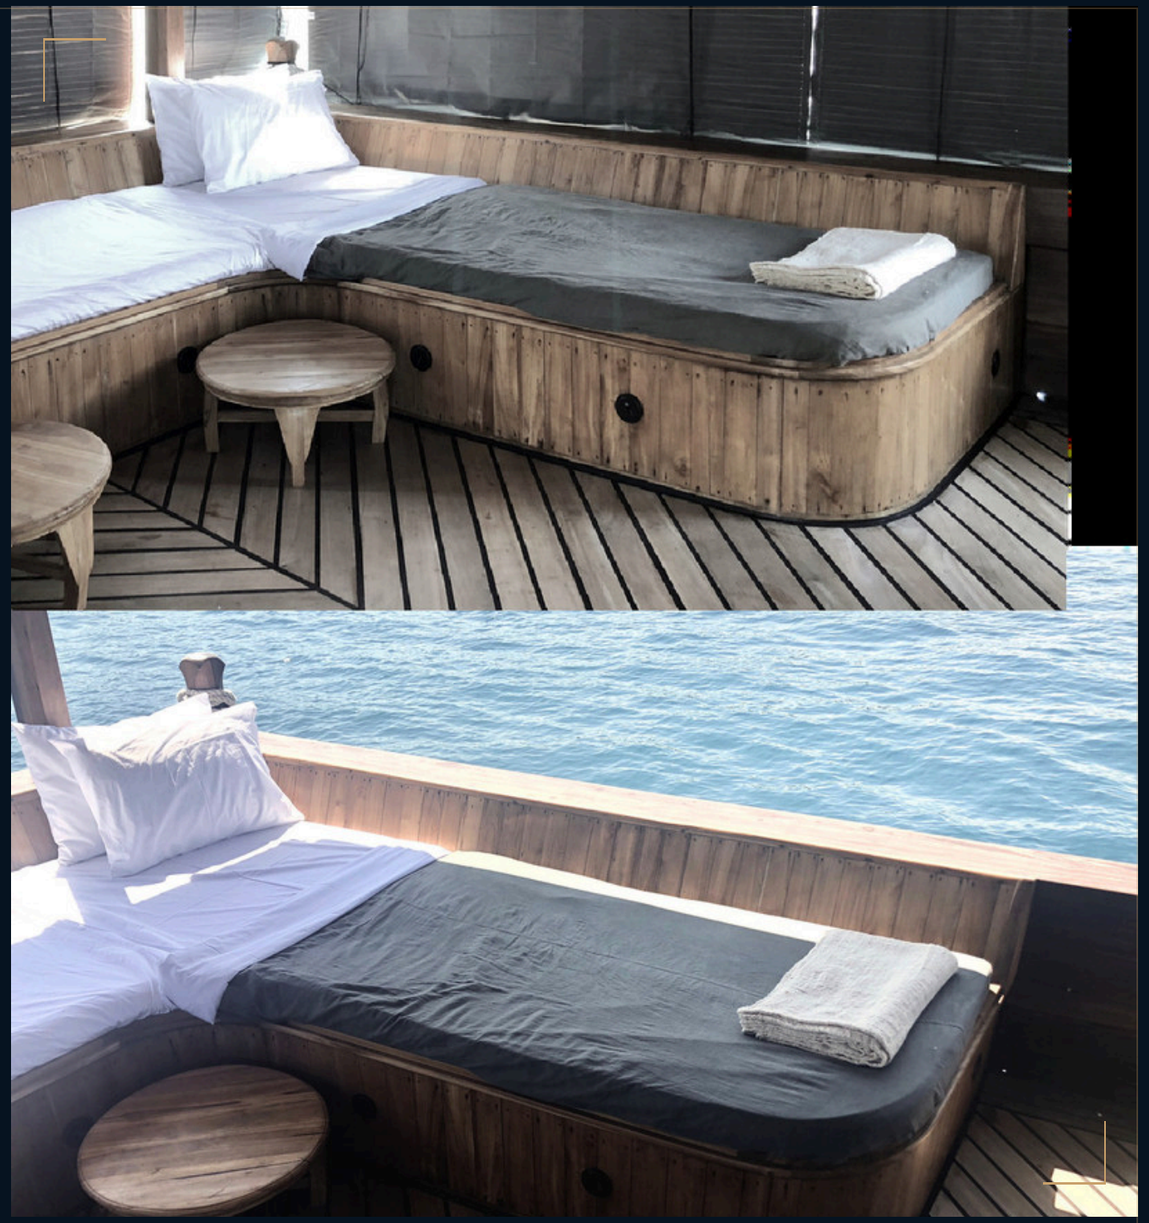
CONVERTED BACK LOUNGE

Sleep under *the stars*

If you like to sleep under the stars or wish to invite two additional passengers, the back lounge becomes your open cabin. On request we convert it into a twin outdoor cabin – leave it open for sleeping under the sky, or fully enclose it with our waterproof wooden blinds for privacy.



A SPACE FOR EVERYONE

Social or *quiet*

Whether you want to be social with friends or are looking for a quiet spot to read your book, Splendour has plenty of spaces for different occasions.

The front lounge is a pleasant space to sunbathe or watch dolphins and turtles while cruising. Use the deck chairs or bean bags to set up your comfy spot on the upper deck, make the most of our “patch of grass”, and enjoy easy access to and from the ocean via our ergonomic swim deck at the back of the boat.

It is also a world-class dive destination – pristine corals, mantas, sharks, turtles, dolphins, dugongs and giant pelagics down to tiny pygmy seahorses.

ACTIVITIES

An experience *for everyone*

We have carefully crafted experiences and activities perfectly suited to families, friends and couples. Simply choose what feels right for you – challenge yourself, or kick back and enjoy the slow life on board or ashore.

ACTIVITIES

World-class *snorkelling*

Swim with manta rays, turtles and even seahorses among plentiful, living coral in some of the world's most beautiful crystal-clear waters – all from the comfort of your own yacht.

Indonesia's waters are literally teeming with life, and with so much of it just under the surface, snorkelling is a wonderfully accessible choice for everyone. Our very able crew make sure you and your guests are well looked after on board as well as under water.

ACTIVITIES

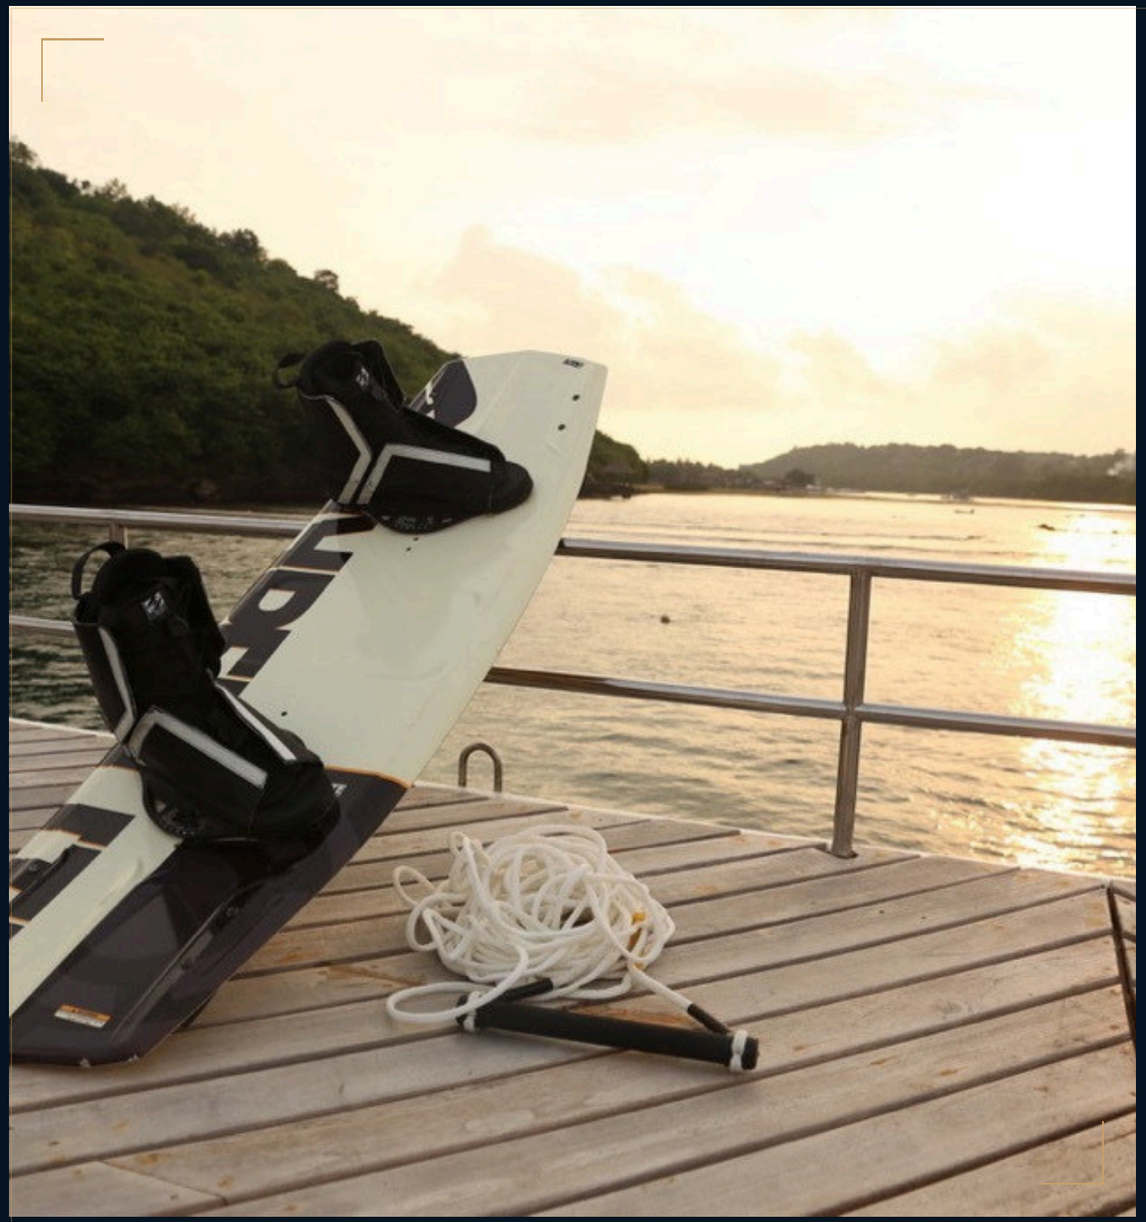
Wildlife *spotting*

Slow down and connect with nature. Take the paddle board and go bird watching, see thousands of bats come alive at sunset, spot majestic Komodo dragons, feed deer on a deserted beach and watch eagles gliding by. Above the surface there is a whole world of flora and fauna to discover.

ACTIVITIES

Hiking & *trekking*

Many of the islands we explore are uninhabited, untouched and protected from tourism development, their gentle contours and arid terrain ideal for exploring on foot. Guided by our crew, trek for 10 minutes or an hour to vantage points that literally take your breath away – the volcanic islands of Komodo, Lombok, Sumbawa and Bali inspire adventure.



ACTIVITIES

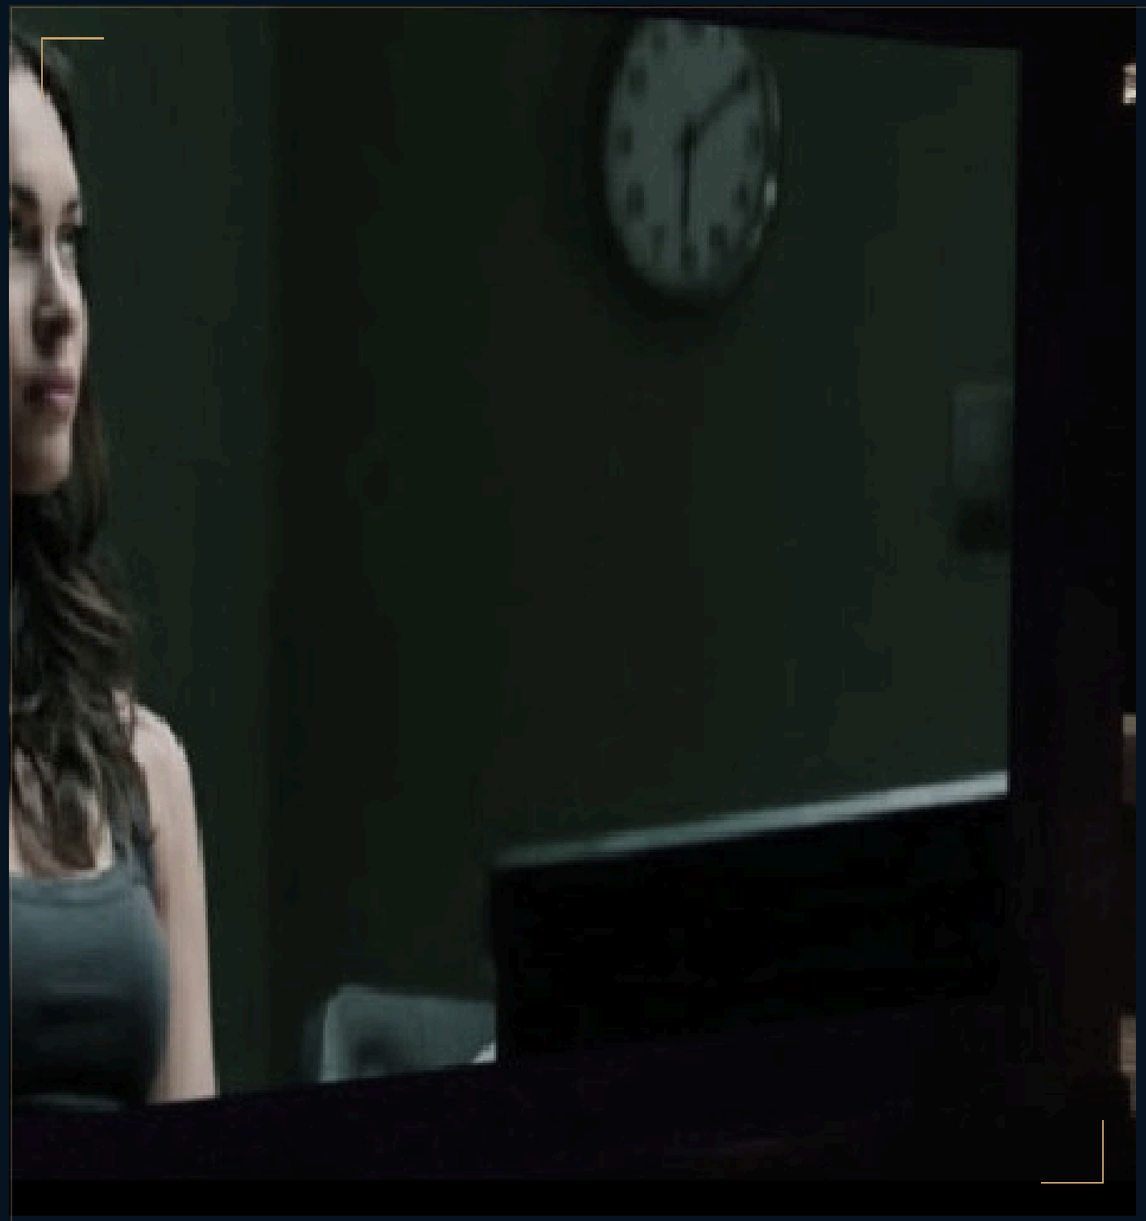
Wakeboarding

In the middle of the Indian Ocean the crystalline waters are often so calm and still – ideal for wakeboarding. We offer the gear and our well-powered custom tender for a little rush of adrenaline. Mornings and sunsets are best for gliding on still water in secluded coves, on a wakeboard or longboard. Kids love it, and so do beginners.

ACTIVITIES

Treasure hunt *for kids*

Explorers, traders, indigenous tribes and fugitives have passed through these waters on the spice trails for centuries – so there must be treasure chests for the pirates on board Splendour to discover! Our specially designed treasure hunts, under the sea or on a deserted beach, encourage kids to use their minds, find new skills and work as a team, as challenging as the age and ability of the group require. Parents can sit back or join the adventure.



ACTIVITIES

A night at *the cinema*

Our huge pull-down screen converts the back lounge into your own private cinema, with a curated selection of films and documentaries for all ages – or view your own movies and photos of the day. Arranged at the drop of a hat, with our very own blend of popcorn and snacks, for your personal cinema paradiso in the middle of the sea.

ACTIVITIES

Star *bathing*

At night the upper deck becomes your stargazing platform. After sunset, turn down the lights and be awed by the brightest starlit skies you will ever see – who can spot Saturn, Jupiter or Mars just after dinner? We bring blankets, tea and biscuits while you sink into your beanbag, and an iPad app offers virtual-reality star guidance.
